CLASS HISTORY

At last, the time appointed for the try-outs for the Major League had arrived. It was 1947, and 28 baseball fans were there, warming up for the great event. After the try-outs, we learned that although we had skill, we didn't have enough experience. So began our years of work to achieve Experience and the great honor of being a member of the Major League.

All 28 of us started our first year of work with Dick Busch and Gale Smith as our Managers. Our Coach was Miss Vera Dull. Unfortunately, a few of our members found the training rules too strict and were forced to seek greener pastures.

The second year only 20 proved to have survived the first year. However, our goal seemed a little closer. This renewed our strength and we chose Loma Agler and Dick Points as our Managers. Mrs. Helen Wurster was our Coach.

This year, our third, we were determined to prove we had Experience. We chose Charles Cramer and Gale Smith as our Managers. Miss Joyce Severn was our Coach. There were still 20 of us seeking to be in the Major League. We gave a class play, "I Wouldn't Know!", to gain money to continue our work. We continued to increase our treasury by other means. In

May, 1950, we gave a banquet for our predecessors who have already received honors in the Major League.

At long last, in our fourth year, we decided we were ready to again try-out for the Major League. After the try-outs we found that all 20 of us were acceptable. We were divided into 4 teams; the Braves, the Phillies, the Dodgers, and the Yankees. We chose Charles Cramer and Larry Kohn as our Managers. Again, Miss Joyce Severn consented to be our Coach. To help finance our last year, we had various projects which helped bring in money.

Finally, after much hard work, we have achieved Success. We have found that Success does not come easily, but not one of us would exchange a minute of the time we have spent. We have found that most of the fun we have had come in working for Success, not in having gained it. We hope this wisdom will follow us through life so that we will always be working toward a goal.

CLASS PROPHECY

It was a beautiful, sunshiny day! In fact, just the right kind of a day for baseball game. It was May 10, 1988. In the Green Grass Field Stadium in Ohio City, Ohio, 82,500 fans were waiting for the game of the year to start. This game would determine the World Championship. Suddenly, there arose a great cheer. The game between the Ohio City Fireballs and the Dulltown Crackers was about to begin.

I found my seat and sat down. Then I happened to glance at the man who sat next to me. It was none other than the world famous comedian, James Rickard. He had just arrived in the United States from Hawaii where he had put on a 4 hour television show. I asked him if he knew of the whereabouts of any other members of our class. This is what I learned from him.

It seems he had met Sharon Meeker, the famous dancer, in Hawaii. She is teaching the native girls a new dance called the Hula-Can-Can.

Charles Cramer has won the reputation in the movie world as the second Great Lover.

Opal Taylor, Mary Boroff, Darlene Davis, and Betty Stutz have opened an Escort Bureau for Women in New York. When last heard of, they had already made \$2 million.

Dick Points and Larry Kohn are in Florida showing children from the ages of 3 to 4 how to ride a motorcycle safely.

Jane Anne Stemen is in Hollywood working for the Fashion Movie Picture Company. She makes toupees for the movie stars. Wilma Fickert also works for the Fashion Movie Picture Company. She is head of the Sound Effects Dept. It is rumored that she puts the smack in the kisses for this movie company.

Jeanette Roller and Joanne Rickard have moved to Texas and have opened a cooking class to teach the boys in the Army how to prepare a home-cooked meal. Two at time, that is.

Raymond Balliet went to the North Pole and is now assisting Santa Claus. As a sideline he owns a refrigerator store. He sells refrigerators to the Eskimos.

Loma Agler is now the Superintendent of Nurses in a hospital in Toledo.

Dorothy Jean Rice raises horses in California. She makes quite a profit selling them to the movie stars.

That was all he could tell me but fortunately I knew where the rest of my class were. I asked him to look in the radio and television broadcasting box there at the Stadium. None other than Clarence Beach was there. He is now a famous sports commentator.

As to the rest of the class, I have appointed Fred Wittung as Sec. of Agriculture in the President's Cabinet. Dr. Gale Smith is also in the Cabinet as the new Secretary of Science. You see, I, Helen Shaw, have become the first woman President of the United States.

I am writing this down so that all the country may know that the Ohio City-Liberty Class of 1951 is the only class in the whole world whose every member is world famous in his own field.

You know, it's funny, but I really don't know who won that baseball game between the Ohio City Fireballs and the Dulltown Crackers. I wonder why?

Last Will And Testament

We, the class of nineteen-hundred and fifty-one, find that we have a few mementoes of our days at OCL left over and do hereby bequeath the following:

I, Loma Agler, do hereby will my chewing gum to anyone who can succeed in annoying as many teachers as I have and enjoy it as much as I do and my position as Doc Cress' secretary to anyone who is sucker enough to do it.

I, Raymond Balliet, do hereby will my ability to skip class and work on the stage to anybody who hates classes.

I, Clarence Beach, do hereby will my ability to skip school to anyone that can find any better excuses.

I, Mary Boroff, do hereby will my ability to write shorthand to anyone who can write it any sloppier or slower and get by with it but wish to keep that certain Decatur boy for myself.

I, Charles Cramer, do hereby will my ability to make out wills, that I don't have, to Bill Stutz.

I, Darlene Davis, do hereby will all the days I skipped school to anyone who would enjoy them as much as I did, but wish to keep that certain someone for myself.

I, Wilma Fickert, do hereby will my ability to play basketball to Ilo Woods, and my curly hair to Floyd Trachsel - here's hoping you can keep it combed, but wish to keep all dear memories of OCL.

I, Larry Kohn, do hereby will my ability to get up at 8:30 and make it to school on time to Carl Johnson in hopes that he can use it.

I, Sharon Meeker, do hereby will my academic comprehension of the fundamental aspects of Democracy and my fortitudinal toleration of school in general to the future students of OCL.

I, Richard Points, do hereby will my ability to make girls mad to Max Kohn and my ability to play basketball to anybody who can keep the bench warm.

I, Dorothy Jean Rice, do hereby will my ability to sing to anyone who can stand it, and my ability to play a trumpet to Sally Beach.

I, Jim Rickard, do hereby will my shoe size 11 to Kenneth Green, and hope he can get as much use out of them as I have done in the past.

I, Joanne Rickard, do hereby will my so called nickname B.B. to anyone who can fill the bill.

I, Jeanette Roller, do hereby will my ability to play tackle in basketball class to Barbara Cowgill and my ability to chew gum to my sister Katie.

I, Helen Shaw, do hereby will "Toothless" to any girl who is desperate enough to want him, and my ability to be a good Republican to Lois Beach.

I, Gale Smith, do hereby will my love for tests to every student who does not like to take them, and my ability to get along with Mr. Green to Jack Smalley.

I, Jane Anne Stemen, do hereby will my ability to get along with the teachers to Carl Johnson. I'll also share my nickname "Chub" with Charles Doan, but wish to keep for myself the memory of our school days.

I, Betty Lu Stutz, do hereby will my ability to keep quiet in study hall to Lee Pontsler and all my old boyfriends, except the airman, to Betty Brubaker so she won't have to keep just Donald High and Wally Smith in suspense.

I, Opal Taylor, do hereby will my spare time to all students in Mr. Cress' study hall, so that they may be able to pass their tablets and pencils on their own time. Also my headaches (from all of my subjects) to Alice Custer, but hope that she will find a remedy.

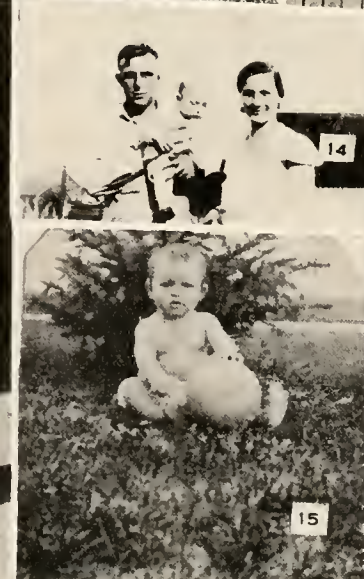

I, Frederick Wittung, do hereby will my ability to keep quiet to Miss Dull to have a more peaceful first period study hall.

Having disposed of these various articles, we declare this to be our Last Will and Testament.

3RD BASEMEN

In the year 1948, our class of '52 entered high school. There were 28 students. During this year, three more students entered our class. Deloyd Rickard and Carl Johnson guided us through our first year with the help of Mr. Hampshire, our sponsor.

During our second year, Joanne Wise was our President; Barbara Cowgill, Vice-President; and our sponsor was Mr. Green. We chose our class colors, rose and gray, and our class flower, the pink rose. Our class motto was chosen, "The Way Is Hard, But The Prize Is Great."

During that year we had a Halloween party at Rex Hurless', a Christmas party at Irene and Lester Merkle's. We also had a weiner roast at Rockford.

We had a cake raffle which helped our treasury increase. We also in our sophomore year lost Vernon Pontsler

and Melba Agler.

Now in our third year we are trying to gain a higher education. We now have 23 juniors. Our leaders for this year are Dick Good, President; Barbara Cowgill, Vice-President; Joanne Wise, Secretary; Rosalyn Clouse, Treasurer; and Alice Custer, Historian.

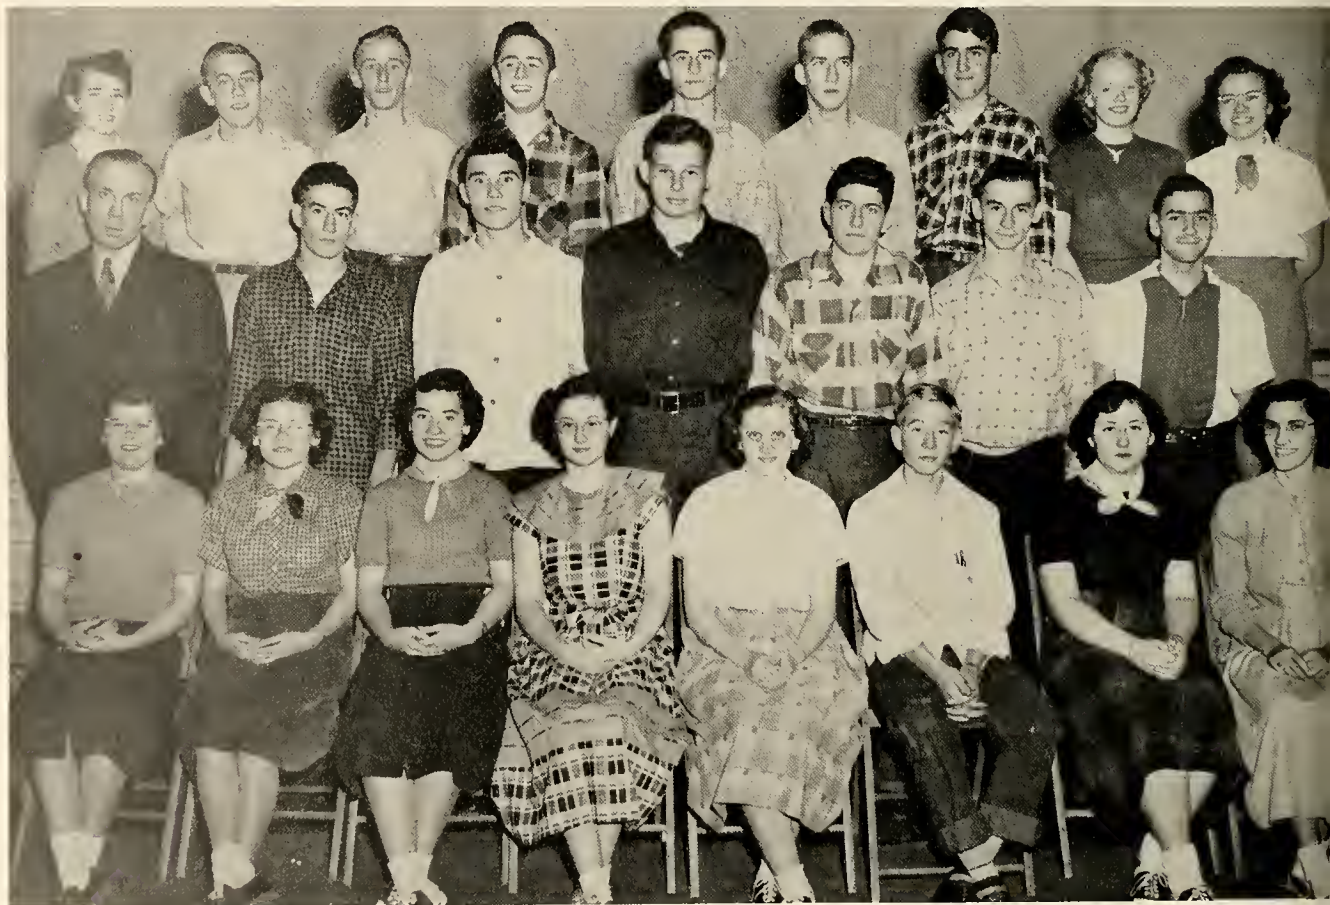

We gained Danny Sutton this year.

We had a party at Joanne Wise's.

On November 3, 1950, we had our class play, "Do, Re, Me." It was quite a success. To Mr. Cress, our sponsor, goes the honor of directing the play.

Now a few weeks later we have our new class rings, which we are very proud of.

Next we are looking forward to starting on our Prom. We hope it will be as successful as our class play.

2ND BASEMEN

Monday morning, September 8, 1949, 31 bright students entered high school to start a long drive toward graduation. The first year we lost Vernon Adelblue but also gained one when Don Keber came, holding our number at 31. The officers our first year were Bob Good, President; Jack Smalley, Vice-President; Janet Walls, Secretary; Ned Scheidt, Treasurer; and Mr. Fleck as our sponsor.

Now the second year, we started out with 31. We lost Leland Brown but

gained one when Charles Doan came. Our officers this year are Iris Baker, President; Marlene Wallace, Vice-President; Rosalind Bigham, Secretary; Betty Brubaker, Treasurer; and again we have Mr. Fleck as our sponsor. We chose our class colors, White and Wine, and the Wine Rose as our class flower.

During the next two years we hope to gain what we are striving for. Graduation!

1ST BASEMEN

We started our journey through high school with twenty-five eager freshmen. It wasn't long until one of our girls, Margaret Fenton, left us. We bade her farewell and she was off. A little later, we thought we saw something new and found that it was a new girl, Mary Margaret Adelblue.

We were all sorry that our advisor, Mr. Jenkins, left us, but we got started again with Mr. Green as our advisor. Next we chose our leaders which were: Boss -- Jerry White; Straw Boss -- Ellen Stump; Banker -- Patty Brubaker; Secretary -- Belle Bigham; Red Cross -- Rhea Boroff and Bill Stutz; and last

and least Historians -- Roberta Long and Marji Edwards.

Then came cheerleader try-outs. From the four girls who tried out, Roberta Long was chosen.

And finally came the dreadful day of our initiation. Boy, were we scared! -- Nothing happened.

Next was the election for carnival king and queen. Our candidates were Jerry White and Patty Brubaker. We were glad to hear that Patty was chosen queen for the carnival.

So ends our first year. If Fate is kind, we will return next fall.

Y-TEENS

Teen Timers is our theme. The symbol is a clock. Our colors--royal and baby blue. We have strict regulations and a secret knock. We also have a secret sister who is called our "Old Time Friend." Our officers are named after parts of the clock. The president, "The Main Spring," is Loma Agler; Joanne Wise is the vice-president or "The Second Hand;" Jeanette Roller is the so-called "Minute Hand," as she keeps all our minutes recorded. Our "Balance Wheel," is Jane Anne Stemen who counts our millions. Our "Tick," Thelma Gephart, can really make it hum when she sits at our piano. Helen Shaw is the "Tock," who sounds off when we want to sing. You hear all about our many parties and fun through the "Alarm," Christine Pol-lak. The "Dial" gives us the vim and vigor to dance and sing--this is Marlene Wallace; when we are noisy we know we'll get silenced by the "Silencer," Rosalind Bigham. We feel that we are very for-

tunate to have Mrs. Wilbur Wise and Mrs. Donald Straw as our mother advisors although we call them "The Stems." Big Ben's job is to hold it up and steer it clear of all ruts it might get in; that is just what Miss Severn, our swell advisor, has done for us.

There are 41 girls in our club with almost 100% attendance. We have a fine quintette, who entertained us on various occasions. We have entertained our mothers. We have sent money to CARE, given the first three grades a grand Christmas party, provided the school with a beautiful Christmas tree, and done many other little things which we enjoyed. We hope that we "have done our best in honoring God, our country, and our community; in helping other girls and have been in all ways a loyal, true member of America."

FIRST ROW: Rex Hurless, Dick Galloway, Deloyd Rickard, Charles Cramer, Joe Hertel, Ned Scheidt, Jim Witten, Don Keber. SECOND ROW: Bill Stutz, Jerry White, Lester Merkle, Tom Ainsworth, Wally Smith, Jack Wallick, Ray Balliet, Frederick Wittung, Mr. Tingley. THIRD ROW: John Cramer, Lee Pontsler, Jim Ayers, Bob Williams, Herbert McConn, Melvin Fickert, Bob Mosier, Junior Brown, Jack Tribolet, Don High.

F.F.A.

The Ohio City Chapter was chartered in 1941, with Mr. Smith as advisor. Mr. Prior became advisor of the chapter in 1945.

In 1946 the chapter won a gold medal in the district in parliamentary procedure and placed third at international livestock judging.

Every year we have a Parent & Son Banquet which is always a big event.

In 1947 we won a silver medal in parliamentary procedure.

In 1948 we won a silver medal in parliamentary procedure again and had two state farmers out of our chapter, Dallas High and Bob Galloway.

In 1950 we won a silver medal in parliamentary procedure and plan to have a bigger and better Parent & Son Banquet.

The officers this year are as follows: President -- Charles M. Cramer; Vice President -- Deloyd Rickard; Secretary -- Dick Galloway; Treasurer -- Ned Scheidt; Reporter -- Joe Hertel; Sentinel -- Jack Wallick.

FIRST ROW: Mary Wittung, Marjiann Edwards, Joyce Ayers, Dorothy Jean Rice, Martha Clouse, Sharon Meeker, Joanne Rickard, Patty Hunter, Belle Bigham, Dorothy Witten, SECOND ROW: Miss Dull, Opal Taylor, Mary Adelblue, Ellen Stump, Christine Pollak, Ilo Woods, Joanne Wise, Janice Ricketts, Phyllis Witten, Rhea Boroff, Darlene Davis, THIRD ROW: June Carr, Rosalind Bigham, Janice Morgan, Pauline Hofmann, Roberta Long, Mary Boroff, Alice Custer, Iris Baker, Sally Beach, Connie Straw, Barbara Brubaker, Patty Brubaker.

F.H.A.

The Future Homemakers of America is the national organization of pupils studying homemaking in junior and senior high schools of the United States.

The Ohio City Chapter was organized in March, 1946, under the capable leadership of Miss Vera Dull.

Colors of the organization are red and white and the flower is the red rose.

The F. H. A. brings together groups interested in homemaking and family living.

Our officers for 1950-51 are as follows: President -- Mary Wittung; Secretary -- Joanne Rickard; Treasurer -- Jeanette Roller; Reporters -- Janice Ricketts and Pauline Hofmann.

FIRST ROW: Jane Ann Stemen, Janice Morgan, Connie Straw, Barbara Cowgill, Phyllis Witten, Jeanette Roller, Janice Ricketts, Ilo Woods. SECOND ROW: Jim Ayers, Jim Witten, Bob Brand, Don Keber, Jerry White, Charles Clouse, Jim Clouse, Mr. Rolfes. THIRD ROW: Marjiann Edwards, Martha Clouse, Joanne Rickard, Dorothy Witten, Mary Adelblue, Barbara Brubaker, Sharon Meeker, Gloria Adams, Patty Hunter, Dorothy Jean Rice.

CHORUS

This year the chorus had a new director, Mr. Jack Rolfes. Though he was new, he did a good job.

In November at the Open House, the girls' chorus put on a minstrel with several featured numbers from a few of the members of chorus.

Plans were made to sing at the County

Festival to be held at Union. This we did later in the year. It was thoroughly enjoyed by all.

The chorus also performed at the District Contest.

Most of our singing was done a cappella, which caused us to learn a lot about music which we didn't know before.

BAND

The Ohio City-Liberty Band, under the able direction of Mr. Jack Rolfes, has been very active. A new drum major, Connie Straw, was elected at the end of the school term of 1950.

To start the year off with our new director, the band played at the Van Wert County Fair.

The band participated in the Halloween Festival at Van Wert. We received first prize. The band also played for the festival and basketball games held at Ohio City.

At the beginning of the school term, 1950-1951, officers were elected. Loma Agler, President; Dorothy Witten, Vice-President; Marlene Wallace, Secretary; Bob Brand, Treasurer; Don Keber, Reporter.

RED CROSS COUNCIL

FIRST ROW, LEFT TO RIGHT: Bill Stutz, Leona Carr, Gloria Adams, Gale Smith, Walter Cramer, David Smalley. SECOND ROW: Helen Walls, Loma Agler, Thelma Gephart, Joe Hertel, Rhea Boroff, Pauline Hofmann, Lucy Merkle.

The Red Cross officers for this year were:

President Gloria Adams
Vice President Gale Smith
Secretary Helen Walls
Treasurer Thelma Gephart

As projects, we started a Red Cross Drive and plan to finish the chest drive that was started last year. That is to send a chest full of articles to some foreign country.

We had our assembly on October 27th. Two movies were presented which all of us enjoyed very much. If, on a third Monday of every month at 12:20, you happen to see several energetic, noisy students in the commercial room, you will know it is just the members of the Junior Red Cross getting together for their monthly meeting.

LIBRARIAN STAFF

SEATED: Mr. Cress, Belle Bigham, Loma Agler, Joyce Ayers, Joanne Rickard, STANDING: Janet Walls, Barbara Cowgill, Lois Beach, Thelma Gephart, Charles Cramer, Dick Galloway, Mary Wittung, Sharon Meeker, Jane Anne Stemen, Gloria Adams, Max Kohn.

The Ohio City Librarian Staff was formed in 1945 for better service to the student body.

Our reference library is operated by sixteen librarians, one chief librarian, one assistant chief librarian, who is the chief librarian the following school term, and one advisor. There are now 900 books

in the reference library and approximately 160 magazines.

Two librarians are scheduled for one period. They alternate, one working one week and the other working the next week. Their duties are to clean up the library and to keep a record of all the books that are taken out during the period.

COUNCIL OF PRESIDENTS

This year the presidents and Mr. Gens decided to form a council and have regular meetings. We elected Charles Cramer as president of the council. Iris Baker was elected secretary.

The council includes the president of each class from the seventh grade on up. The presidents of the Y-Teens, Red Cross, F.H.A., and F.F.A. are also included.

At the first of the year we decided to start a project for the whole school, getting new curtains for the stage. To raise the money, we planned and held a fall festival. With this money and that which the classes of "49" and "50" left the school, we bought the curtains.

FIRST ROW, LEFT TO RIGHT: Loma Agler, Ronnie Putman, Charles Cramer, Iris Baker, Darrel Brand. SECOND ROW: Gloria Adams, Mary Wittung, Jerry White, Dick Good.

CLASS

First we'll start out with Mary B.
There's a little girl who can hit high "C"
Not in music, but just in class.
Say, but she's a hard working lass.

Charles Cramer, the good old egg,
Who chases the girls, but not to beg
For one sweet hand that he can hold
There's always an excuse like, "My, but it's cold."

And Opal Taylor, that girl with the looks
Who, some might say, is allergic to books.

Here's Fred Wittung, a farmer to be,
If he just keeps it up in Ag., you see.

Then Joanne Rickard, a cheerleader is she,
Is one swell gal you'll all agree.

And there's Richard Points,
A sailor he wants to be
Who'd follow Larry Kohn
On land, in air, on sea.

But then, we've Loma Agler
Who tries very hard
To top Helen Shaw's
One hundred per cent card.

And, of course, our Jim Rickard,
The class's meanest kid,
Who always blames Janie S.
For things she never did.

Well, here comes Bub Beach
Our curly head is he
Who cuts up in our classes
Especially, Chemistry.

POEM

Dorothy Jean now takes the lime-light
Our golden throat is she
Who tries for all the contests
And ends up with a "C."

Here's a boy you'll all know
For he has a smiling face
Of course, it's Gale Smith,
He works at Joe's Place.

Next in line is Wilma
As friendly as can be
Our top rate guard in basketball
We're sure you'll all agree.

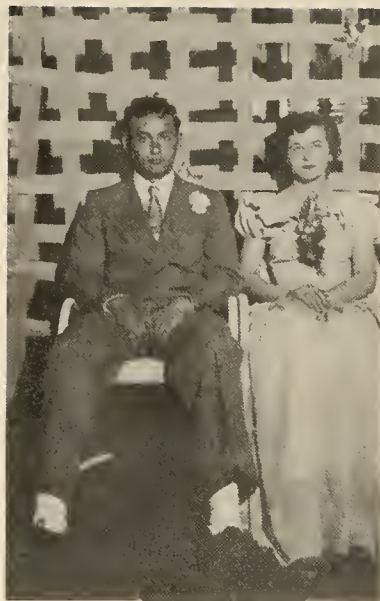

Jeanette Roller is one big flirt
Who, they say, keeps boys alert.

Now up comes our paper boy,
Prop man, and chief of staff is he,
Yes, you're right again
It's our own Ray B.

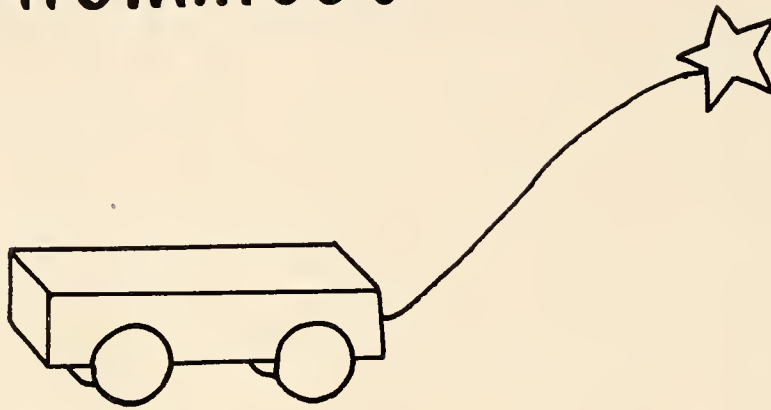

And now here comes the midget
Of all our mighty clan
Do tell, it's Betty Stutz
The grandest in the land.

So Darlene Davis is next in line
Stand up and cheer, she helped with this rhyme.

Last, but not least, (I hope)
Is the one who wrote this poem,
My name is Sharon Meeker
And I wrote it 'cause I know 'em.
